

HOSPITALITY SERVICES

TM

INTRODUCTION

Trustmoore is an innovative corporate-service provider with offices across the globe. Our professional and knowledgeable team offers a full suite of services with a hands-on approach. Our broad expertise also encompasses successful tailored structures for private and corporate clients in the hospitality industry.

“Our professional and knowledgeable team offers a full suite of services with a hands-on approach”

A SUITE OF SERVICES

Whether you are an established enterprise expanding into a new country or wish to establish a new structure in the hospitality sector, it is important to have the right partner. Trustmoore has proven success providing services to this segment, with highly experienced staff that understand and cater to client needs. As your trusted partner, we offer:

Financial services:

- Accounting and bookkeeping
- Payroll administration
- Financial reporting (including preparation of annual accounts)
- Financial budgeting and forecasting
- Preparation and filing of tax returns

Corporate services:

- Incorporation and management services, including customized office solutions
- Corporate and secretarial services, such as maintaining company records and preparing required board and shareholder resolutions
- Legal services, including drafting and agreement review
- HR support services, including assistance with work visas and permits

THE CASE FOR CURAÇAO

Curaçao's location, civil-law system, preferential tax regimes, languages spoken, and its connection to the Kingdom of the Netherlands make it an ideal jurisdiction. Our local knowledge and hospitality expertise allow us to effectively guide clients structuring an entity on Curaçao with our comprehensive corporate and financial services.
